Auendo con l'esperienza di molti anni conosciuto, di quanta comodità, e sodisfattione siano al mondo questi Responsorij nelle festiuità della Natiuità del Signore, e della Settimana santa, spiegati in queste note Musice dal Signor Pomponio Nenna di buona memoria, m'hà pafso che si degna, e lodeuol fatica uscisse di nuouo in luce, non men per far cosa grata a' virtuosi amici, a' quali non posso, ne debbo venir meno, che per comun beneficio di tutti, accompagnandola in quest'ultima impressione col Basso continuo, perche sonandosi l'opra comune in nell'Organo, si renda a' Signori Organisti vie maggiormente grata, e commodata. Resta ua solo, ch'io l'appoggiassi a persona di stima, e di merito, che la protegesse, essendo ella priua del suo buon genitore, nelche non hò presa molta fatica, essendomi tosto rappresentata la persona di V. P. non men dottissimo Musico, & Organista, che degno protettor dell'opera, come quello, che discende dalla nobilissima famiglia de' Pucci, antichissimi Partitij Fiorentini, che prodemente difesero la lor Patria, si come largamente nell'historie leggiamo, onde usciti doppo molto spargimento di sangue dall'antica lor patria, ne peruenne vn ramo in Beneuento, da cui discende V. P. degna, e per l'antica sua nobiltà, e per lo merito delle virtù di molto maggior dono; gradiscalo adunque, & ingrandiscalo insieme con la generosità dell'animo suo reale, mentre a cose maggiori per suo seruigio m'accingo, e N. Auendo con l'esperienza di molti anni conosciuto, di quanta comodità, e sodisfazione siano al mondo questi Responsorij nelle festiuità della Natiuità del Signore, e della Settimana santa, spiegati in queste note Musice dal Signor Pomponio Nenna di buona memoria, m'hà parso che si degna, e lodeuol fatica uscisse di nuouo in luce, non men per far cosa grata a' virtuosi amici, a' quali non posso, ne debbo venir meno, che per comun beneficio di tutti, accompagnandola in quest'ultima impressione col Basso continuo, percioche sonandosi l'opra comunemente nell'Organo, si renda à' Signori Organisti vie maggiormente grata, e commodata. Resta solo, ch'io l'appoggiassi à persona di stima, e di merito, che la proteggesse, essendo ella priua del suo buon genitore, nelche non hò presa molta fatica, essendomi subito rappresentata la persona di V. P. non men dottissimo Musico, & Organista, che degno protettor dell'opera, come quell' o, che discende dalla nobilissima famiglia de' Pucci, antichissimi Patrij Fiorentini, che prodamente discelerò la lor Patria, siccome largamente nell'historie leggiamo, onde usciti doppo molto spargimento di sangue dall'antica lor patria, ne peruenne vn ramo in Beneuento, da cui discende V. P. degna, e per l'antica sua nobiltà, e per lo merito delle virtù di molto maggior dono; gradiscalo adunque, & ingrandiscalo insieme con la generosità dell'animo suo reale, mentre à cose maggiori per suo seruigio m'accingo, e N. S. la renda felicissima, siccome io di tutto cuore bramo, e l'infinite sue virtù meritarò. In Napoli il dì primo di Gennaro del 1622.

Auendo con l'esperienza di molti anni conosciuto, di quanta comodità, e sodisfattione siano al mondo questi Responsorij nelle festiuità della Natiuità del Signore, e della Settimana santa, spiegati in queste note Musice dal Signor Pomponio Nenna di buona memoria, m'hà parso che si degna, e lodeuol fatica uscisse di nuouo in luce, non men per far cosa grata a' virtuosi amici, a' quali non posso, ne debbo venir meno, che per comun beneficio di tutti, accompagnandola in quest'ultima impressione col Basso continuo, percioche sonandosi l'opra comunemente nell'Organo, si renda a' Signori Organisti vie maggiormente grata, e comunoda. Restaua solo, ch'io l'appoggiassi à persona di stima, e di merito, che la protegesse, essendo ella priua del suo buon genitore, nelche non hò presa molta fatica, essendomisi tosto rappresentata la persona di V. P. non men dottissimo Musico, & Organista, che degno protettor dell'opera, come quello, che discende dalla nobilissima famiglia de' Pucci, antichi hifsimi Patriij Fiorentini, che prodemente difesero la lor Patria, si come largamete nell'historie leggiamo, onde usciti doppo molto spargimento di sangue dall'antica lor patria, ne peruenne vn ramo in Beneuento, da cui discende V. P. degna, e per l'antica sua nobiltà, e per lo merito delle virtù di molto maggior dono; gradiscalo adunque, & ingrandiscalo insieme con la generosità dell'animo suo reale, mentre à cose maggiori per suo seruigio m'attingo; e N. The first staff of music is written on a five-line staff with a treble clef. It contains a series of diamond-shaped notes, some with stems, and rests. The notes are arranged in a sequence that corresponds to the lyrics above. The staff ends with a double bar line.

The first system of musical notation for 'The Merry Widow' is in 2/4 time. It features a treble clef and a key signature of one flat (B-flat). The melody consists of eighth and sixteenth notes, with some notes beamed together. The lyrics 'Et tout grand les re-trait long' are written above the staff.
